ABOUT

Subrage is a Hungarian DJ and music producer who has been immersed in electronic music since his teenage years. Active under the name Subrage since 2019, he has built his place in the hardstyle scene through emotionally charged, high-energy performances rooted in euphoric and rawphoric hardstyle.

His sets connect hard-hitting impact with melodic release. That balance has taken him to leading Hungarian clubs and festivals, as well as international stages, while his catalogue continues to grow through solo releases and collaborations.

In both 2024 and 2025, the Hungarian Hardstyle vote named Subrage Best Hungarian Hardstyle DJ. In The Ground received Best Hungarian Hardstyle Track in 2024, followed by Rise Together in 2025.
